Hi, My name is Ala, i'm a Software Engineer looking for new challenges and different realities in the IT industry. Currently i live in Milan, Italy IT and i'm open to work.

Experience

👤 **Software Engineer @ Siemens**
📍 Milan, Italy | Oct 2021 - Present

🎓 *Siemens Smart Building*: description isn't available: it will be added as soon as possible.

👤 **junior Software Engineer**
📍 Milan, Italy | Jan 2020 - Oct 2021

🎓 *IDENTY*: Implementation of a session management console used for video recognition of new customers.
Technology stacks:
Frontend: react + redux, bootstrap, material-UI, jest, react testing library.
Backend: ASP.Net.

🎓 *DIGMOB*: Implementation and test of the new mobile banking app (CREDEM bank). I had the chance to be a part of a large international professional team which helped me to improve my skills.
Technology stacks : kony framework (cloud-based enterprise mobility solutions
and leader among cross-platform mobile application development).
- developing new features
- bugs fixing
- code refactoring using SonarQube scanner
- reduce code complexity
tools: Visual studio Code , git , Atlassian products Jira and confluence , SonarQube , Microsoft Azure , slack, IBM API connect

🎓 *Undergraduate internship*: Realization of an automation system with NLP and Robotic Process Automation solutions.
Technology stacks:
Frontend: Angular, bootstrap, highCharts.js, pdf.js
Backend: Django rest framework, nginx, Celery, RabbitMQ, jwt
Machine learning: Google Cloud AutoML
tools: Visual Studio Code, git , docker

👤 **Undergraduate internship**
📍 Tunis, Tunisia | Jan 2015 - Jun 2015

🎓 *web application*: Design and development of an invoice collection management application in an hybrid mobile/web environment.
Technology stacks:
Html5 , CSS3 , J2EE , Spring , JavaServer Faces , Javascript , Hibernate , git.

Education

📍 University of Modena and Reggio Emilia - Italy
🎓 Master in Computer Science 2017-2020

📍 Faculty of Sciences of Bizerte - University of Carthage
🎓 Bachelor of Computer Science 2012-2015

Licenses and certifications

Ielts (B2)
British Council
Issued 2020

CELI (B2)
The University for Foreigners Perugia
Issued 2017

TCF (B2)
French Institute of Tunisia
Issued 2014

Skills and endorsements

Javascript • Typescript • Java • Python • Angular • React • Express js • Django • Spring • Visual studio code • Eclipse • Postman • Docker • Git • Oracle • MySql • MongoDb
